

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

NIC #
12 Septem

25X1

NOTE FOR: DDCI

FROM: Fritz Ermarth
Chairman

SUBJECT: Materials for DCI's PFIAB
Presentation

1. As you know [redacted] asked Doug George and me to put some thoughts down which the Judge might use to prepare remarks for the PFIAB. General subject: Intelligence Challenges in the 1990s.

2. I'm not sure what the situation calls for, but expect to talk with Fred Demech, the new Staff Director. Meanwhile, here are some possible inputs, which I plan to give to Doug George. Together we'll come up with something; but your guidance would be most helpful.

Fritz W. Ermarth
